A Comparison: TPS & TEA bargaining proposals

The following table provides a side-by-side comparison of the latest proposals offered at the bargaining table between Tacoma Public Schools and the Tacoma Education Association on the three main unresolved issues.

Issue: Class Size

Tacoma Public Schools	Tacoma Education Assn.	Notes
Maintain the existing class size limits in the current collective bargaining agreement	Reduce class size limits by 1 at each grade level	<ul style="list-style-type: none"> The District withdrew its original proposal to increase class size; TEA has not changed its position on reducing class size since negotiations began The TEA proposal ignores the fact the district has lost \$13 million in state funding for smaller class sizes The TEA proposal would cost the district an ongoing cost of \$1.8 million a year
